

## COVID-19 vaccines at pharmacies in Bergen

The City of Bergen has entered into a COVID-19 vaccination agreement with pharmacies in all boroughs of the city for citizens over the age 16.

Citizens over the age of 16 who meet the minimum interval requirements between doses may receive a COVID-19 vaccine at one of the pharmacies listed below. This applies regardless of the dose that may be received.

Citizens may choose between vaccines from Pfizer and Moderna. All pharmacies have been asked to keep Pfizer in stock, but Moderna may not be always available. If you prefer a specific vaccine, contact your pharmacy on the list below to check availability.

### The following pharmacies are offering COVID-19 vaccination

The opening hours and capacity of the pharmacies in relation to how many they can vaccinate each day vary. Click the links below for booking and information on COVID-19 vaccination. (please note that the links to the websites and booking are in Norwegian). You can also book an appointment in person at the pharmacy. Remember to bring an identity card.
