

Getting your COVID-19 vaccination at a pharmacy in Bergen

The City of Bergen has arranged with pharmacies in all city districts to provide COVID-19 vaccinations for residents over 16 years of age

Residents who are 16 years or older and who meet the minimum interval criteria between doses can receive a jab at one of the pharmacies listed below. This is regardless of which dose you require. You need to accept the type of vaccine offered by your pharmacy of choice. Contact your pharmacy from the list if you prefer a particular type.

Vaccination at a pharmacy is free.

The following pharmacies offer COVID-19 vaccinations

Pharmacies have a variety of opening hours and treatment capacities each day. Follow the links below for further details at each pharmacy. (Note that links are in Norwegian.) You can also book an appointment by visiting the pharmacy. Be sure to bring your ID.
