A group of people are on the deck of a boat, wearing waterproof gear like jackets and hats. They appear to be participating in an outdoor activity. A red lifebuoy is visible on the deck. The background shows the dark blue sea.

PIKSEL FESTIVAL WORKSHOPS

A wide-angle photograph of a modern interior space, likely a lounge or office, with large floor-to-ceiling windows. The room has light-colored wooden flooring and a low white ledge. Outside, a cobblestone street is visible with several parked cars, including a white car on the left and a dark car in the center. In the background, there are shops with signs like 'SOUK' and 'Horn of Africa'. A person is walking on the street to the right. The text 'STUDIO 207' and '2017-2025' is overlaid in large white letters on the bottom left.
