

A full-length marble statue of David by Michelangelo, standing in a grand, vaulted dome. The statue is positioned centrally, with its body angled slightly to the right. The dome's architecture features a series of rectangular panels and a curved, ribbed ceiling. The lighting is soft, highlighting the contours of the statue's musculature. Overlaid on the image is the text "NOVELTY IS NOTHING" and "CONTEXT IS EVERYTHING" in large, bold, black capital letters.

**NOVELTY IS NOTHING**

**CONTEXT IS EVERYTHING**
